Autumn 2022

Dear PNC people,

I hope that have all had a good summer and enjoyed the amazing weather. I don't know about you but I'm finding it difficult to settle back into routine, whatever that is! Without some sort of routine or pattern, it's my relationship with Jesus that suffers. Also, I can lose the habits that I have formed, and regular things like praying for and speaking blessing over my community drift or get lost.

I have sent out a request for good news stories. I have only had a few replies. I hope that doesn't mean that you don't have any.

Here is a list of things that I have heard:

- *New Alpha groups are springing up right across the land Pray that these will be fruitful.*
- *Two major Global Ministries visited Wales this summer, one to Cardiff, the other to West Wales. Both of them recognised something spiritually different (good) as they crossed the bridge.*

East Wales

A group of ladies met over a weekend, and saw God heal two ladies who could only walk with frames. They walked unaided. Chronic back pain was healed and fears were overcome.

North Wales

A man was healed of Parkinsons disease, a change was immediately seen and the completion is being walked through. A lady totally healed of a slipped disc.

A blessing is spoken every week over Colwyn Bay. They now have a new sandy beach half a mile long and 16 feet deep (as a flood defence). Apparently, it is rather magnificent.

Again, give God all the glory and pray and look for more.

West Wales

People are being regularly healed, and some are converted, as a man walks around the villages in Ceredigion. Pray for protection and give thanks.

Mid Wales

In a very rural area, a new Sunday School has started. In answer to prayer, they have a minister now for 3 chapels, where in the natural there was little hope of one. Outreach for the community has started with tea and chat and other events, run and prayed over by Christians. Pray these things will be fruitful.

In Acts 2: v.28: we read:

"You will make me full of gladness with your presence".

Acts 3: v.20:

"that times of refreshing will come from the presence of the Lord".

Are we not better witnesses when we are full of gladness, and are constantly being refreshed?

If we want good news stories, then we need His manifest presence. His kingdom to break out all across our nation. Don't forget to invite His presence into your community, and also to say to Him that He is welcome, and then expect great things. It's all about His activity not ours. We just do our little bit, He does the rest.

Keep running the race.

Love and blessing,

Daphne xx
