## **Faith, Hope and Trust**

The road is long, it's often said  
By those who seem to know.  
With twists and turns and ups and downs,  
There seems so far to go.  
And when you feel it's all too hard,  
The night goes on and on.  
Your body aches, your spirit's weak,  
You cannot see the dawn.

Call out for help, a simple prayer  
Will comfort and protect you.  
Healing powers on angel wings,  
Will wrap his love around you.  
And with His love comes strength and trust –  
You know you can continue  
To walk your road, with faith renewed  
That God is always with you.
