

## **Lent and Holy Week Community of Prayer**

### **Stones of Wilderness 2**

Last year more than 150 people participated in the **Community of Prayer during Lent and Holy Week** arranged by David Halstead.. Called **Stones in the Wilderness 2021** it proved to be a challenging and worthwhile 'experience' for those who took part.

Invitations have just gone out to those who participated last year to join in **Stones in the Wilderness 2** and there has already been an amazing response. David hopes that others will want to join this year.

**Stones in the Wilderness 2** starts on **Ash Wednesday 2<sup>nd</sup> March** and finishes on **Easter Sunday 17<sup>th</sup> April**.

The format is a **simplified** version of last year. Those who join commit to spending a few minutes every day in a time of **Meditation and Contemplation** based on a **WORD FOR THE DAY**.

David will send anyone who shows an interest a WELCOME email which will include information about how to make the most of this act of devotion.

Each evening, he will send a **photograph of one WORD on one STONE** to be used as a focus for Meditation and Contemplation during a 'time of prayer'.

This is an example of what you will get.

**ALL the words this year will start with CO.....** so many good words to get our minds around and lead us closer to God!

If you would like to be part of the **Stones in the Wilderness Community of Prayer** this year just send an email saying YES to David at [dchalstead@gmail.com](mailto:dchalstead@gmail.com) and he will put you on the list of participants and send you a Welcome email.
